an inspired place for kids

Discovery Science Camps!

Circle Science!

Join us as we explore rotation, revolution and circles in nature/science. We'll investigate stars and planets in our solar system as they revolve and rotate, explore the motion of spinning tops and even make your own toy to bring home, experiment with bubbles making paint bubble collages, crystal balls of dry ice and more! You'll have a ball in our circle science camp! Includes take home and parent feedback for continued learning and fun!

Ages: 4-6 (PK-1st grade)

Session 1: Mon, 6/14 – Thurs, 6/17, 9-11 am, or

Session 2: Mon, 7/12 – Thurs, 7/14, 9-11 am

SENSational Me!

Have a SENSational time investigating our 5 senses and what makes each of us unique! We'll learn about our sight, sound, taste, smell and touch as we make instruments and study sound waves, create texture collages, play with optical illusions and more! We'll also learn about the skeleton inside you and what makes each of us unique: fingerprints! Wow – you sure are an amazing person! Includes take home projects and parent feedback so the fun can continue at home!

Ages: 4-6 (PK-1st grade)

Session 1: Mon, 6/14 – Thurs, 6/17, 1-3 pm, or

Session 2: Mon, 7/12 – Thurs, 7/14, 1-3 pm

Cost: \$126 per child (*20% sibling discount to sibs in same class*)

Empowering, hands-on science lessons all created by Amy Blaubach, a curriculum writer for the Science Museum of MN. Amy has over 12 years experience in science education and was a practicing geochemist prior to obtaining her teaching license. Curious Minds staff are qualified, trained professionals who have had experience teaching and working with children ages 3-12!

- How to register:**
- Call kiddywampus at 952.926.7871 to register by phone
 - Mail in the registration below with credit card info or check
 - Register in person at kiddywampus at 4400 Excelsior Blvd, St. Louis Park

Please indicate the workshop and session you are registering for:
